

OLNEY CIVIC FUND PRESENTS

The Olney Civic Fund is excited to announce the Olney Barrel-Aged Beer Event. You will experience a variety of barrel-aged beers, all prepared by local breweries. Brewmeisters will share their expertise in the creation of this style of beer. Your admission provides you with 8 flight-size pours served by brewery staff, entertainment and door prizes.

There will be an Olney-area food truck for hungry guests, and we will also have small bites available for purchase.
